

Based on increases in raw materials, packaging, and operating costs, we find it necessary to increase our prices by approximately 5% with shipments on or after January 1, 2025.

This will include:

-
-

As always, we thank you for your continued business and support.

Please feel free to contact your Sales Representative, should you have any comments or questions. Updated price pages will be available soon.

Sincerely,

Todd Landreth
General Sales Manager
